Stark's Specialty Cocktails

Starkida Partida Margarita - \$10

If you can't say it, you can't have another one.

Partida Reposado, Partida Agave Syrup, Torres Original Orange Liqueur, Lime.

H.M.S. Hubiak \$9

In my youth, during the early 1440's, I spent some time as a British Naval Officer and developed a liking for all things British. I'm now only fond of two things; a proper English Gin and claiming things as my own by sticking a flag in them.

Gordon's Gin, Pimm's No. 1, Cucumber, Lemon, Simple Syrup, Soda Water

Moroccan 75 \$10

Drunk on French 75s one night, I unwisely told the Moroccan Soccer team that soccer was for wimps. I learned two things: that it's called "Football" and that "Football" players throw surprisingly hard & accurate punches.

New Amsterdam Gin, Fresh Lemon, Cardamom Syrup, Sparkling Wine

Cappy "Thyme" Lemonade \$9.5

Bartles & Jaymes came up with their stupid wine cooler idea while drinking a bunch of these on my front porch. Those jerks still owe me for the porch swing they destroyed with their roughhousing

Hangar One Raspberry, Lemon-Thyme Simple Syrup, Soda Water

Mint Me In Rio \$9

It's light, it's refreshing, and let's face it...it's where the boys are. (c.w.)

Van Gough Acai Blueberry Vodka, Grapefruit Juice, Campari, Grapefruit Bitters, Mint, Fresh Lemon & Lime.

La Luchadora \$10

In the spring of '87, I spent some time as a Mexican Lucha Libre wrestler under the name "Relampago Blanco". Naturally, I met a woman. She was sweet, spicy & smoky. Lupe, nunca te olvidaré.

House Smoked Antiguo de Herradura Reposado Tequila, Fresno Chile Syrup, Aztec Chocolate Bitters, Fresh Lime

Adolescent Slow Dance \$9.5

For some, it's awkward. For others, amazing. For the rest of us, well... it's as good as it's ever gonna get.

House Infused Kumquat Rum, Black Peppercorn Simple Syrup, Stella Artios, Lime
