| <b>CUSINE</b>       | A San Francisco Chronicle Bay Area Top 100 Restaurant in 2009, 2010, and 2011, Willi's Wine Bar's classic roadhouse appeal captures the casual, laid-back nature of Sonoma County Wine Country. Tourists and locals feel equally at home enjoying a quick bite or lingering over a glass of wine. The menu at Willi's features 32 international small plates, some wildly inventive and others comfortingly familiar. Staff is eager to help create perfect pairings with wines from the extensive wine list, many by local producers. All wines are available in two-ounce tastes as well as by the glass or bottle. |                      |
